

# Airport Parking Newark

Newark Liberty International Airport has long been on the forefront of aviation history. First opening in 1928, Newark is the nation's oldest airfield and home to the nation's first ever commercial airline terminal. In 1935, Amelia Earhart led the dedication of this landmark terminal building. In fact, only London's Croydon Aerodrome predates the Newark terminal. The airport is located in both Newark and Elizabeth and is only 14 miles from Manhattan. Its locations helps it serve a critical role for the New York-New Jersey metropolitan area. Newark Liberty continues to build on its heritage of innovation with leadership roles in managing congestion and the campaign for NextGen technology.

## Newark Airport Airlines

A list of domestic and international passenger airlines flying out of Newark Liberty International (EWR) Airport with phone number, departure terminal, check-in level and arrivals terminal.

## Newark Airport Car Rental

Finding your rental car is easy when using AirTrain. Avis, Enterprise, Hertz, and National car rental companies are located at Station P3. Alamo, Budget, and Dollar car rental companies can be found at Station P2.

Vehicles equipped with hand controls may be also available for the disabled. Please contact the appropriate car rental company directly regarding availability, reservations, costs or for more information.

## Paying for tolls when using a rental car

Check with your rental car agency to learn about their particular company policy for paying tolls. Some rental car companies provide E-ZPass® transponder tags. When these tags are available, please be sure you understand how to use the transponders and take some time to learn about any fees or charges. Fees vary among rental car companies regarding unpaid tolls, so it is important to find out the specifics in advance.

If your rental car company does not provide a transponder, or if you do not want to use a rental car company tag, then you have two options:

- Pay the toll using cash
- Pay the toll using your own E-ZPass® transponder

# **Newark Airport Connections**

## **JFK and Newark**

When connecting Newark and JFK, simply use AirTrain.

AirTrain makes frequent stops around the airport. These stops include the airline terminals, parking lots, hotel shuttle areas and rental car facilities. What's more, every AirTrain is available free of charge around the airport.

## **LaGuardia Connections**

When connecting from within LaGuardia, just use the convenient shuttle bus service. Take the free Route A (All Terminals) or Route B (All Terminals Except for Marine Air Terminal / Delta Shuttle) courtesy buses to transfer between Parking Lots and Terminals. Operating hours are as follows:

Route A buses run every 10-15 minutes from 4:00 a.m. to 11:30 p.m.

Route B buses run every 10 - 15 minutes from 6:00 a.m. to 2:00 a.m.

There are numerous transportation options for connecting to and from other area airports.

# **Newark Airport Parking Information**

## **Valet Parking**

Treat yourself to valet service in Lot P4. At a price of \$40 for 24 hours\*. On-airport valet is fast, secure, and offers easy access to the airline terminals.

## **Long-Term Parking Information**

Customers wishing to use Newark Liberty's long-term Lot P6 can take the free courtesy shuttle/bus between P6 and Terminals A, B, and C. The P6 shuttle runs 24 hours per day and departs every 10 minutes from the lot. All customers who plan to park at Newark Liberty International Airport for more than 30 days should contact ABM the day you arrive at (973) 961-6421 or (973) 961-6422. You will need to provide them your name, license plate number and the estimated number of days you plan to park at Newark. Please be advised any vehicle parked over 30 days will be towed at the owner's expense.
